'Happiness, Inspiration and Achievement through Christian Values'

Dear Applicant,

On behalf of all who make up the community here at St Edmundsbury CEVA Primary School: thank you for expressing an interest in our Class teacher vacancy. You will be warmly welcomed if you would like to make a visit to the school prior to making an application – this will give you the chance to get a snapshot of the work, ethos and values in school, and to see the energy and enthusiasm of staff and children. Do contact the school office to arrange this – we would be pleased to see you.

In our last Ofsted inspection (2017) we were rated as 'Good'. We have a strong and committed 'Friends' body who are a great support to the school and our staff. Forest School work, the RE Quality Gold award and the work which staff are developing in the Thrive Approach programme are just some of the areas which are contributing to the positive culture of the school. We have a strong Christian ethos that helps significantly in achieving our school mission statement of providing a welcoming, caring, happy, environment, where everyone is valued equally, and this is made particularly visible in our daily Collective Worship.

We hope you will decide to apply and we very much look forward to meeting you during the recruitment process.

Yours sincerely,

Shaun valentine
